Healthy Hunger Relief Program

What is the Healthy Hunger Relief Program?

Since 2016, the Partnership for a Healthier America has recognized, elevated, and accelerated the work of food banks and large-scale food pantries across the country that are uplifting the health and well-being of their communities. Through these relationships, PHA and its Healthy Hunger Relief partners improve the supply of healthy, nutritious foods for millions of Americans who rely on our nation's food banks.

About the Partnership for a Healthier America

In 2010, PHA was created in conjunction with Former First Lady Michelle Obama's Let's Move! effort. PHA partners with the private sector to transform the food landscape in pursuit of health equity.
